

St. Francis Hospital and Medical Center Center for Emergency Medicine Education

We are pleased to share with our EMS providers an invitation from our colleagues in our Center for Nursing Excellence and Practice Innovation to participate in a **free** educational program:

Introduction to 12 Lead ECG Interpretation (a four hour class)

February 2, 2010 8am-12pm April 6, 2010 8am-12pm
August 3, 2010 8am-12pm October 5, 2010 8am-12pm

Each class will be held in Room 216
Research and Education Building, 260 Ashley St

Questions and to register, please contact Maureen Tiroletto
860-714-5505 or MTirolet@stfranciscare.org

John Quinlavin, EMS Manager
